Information Desk: Get directions, find out what the library has to offer today, check library materials in & out, get headphones, graphing calculators and cables, or check in with the Lost and Found.

Technical Assistance Desk: Find assistance with any issues you may have with the following: computers, printers, copiers, logins, Brookdale OneCards. First time using our machines? Ask here and they will show you how they work.

Research Help Desk: Work with Professional Librarians on research projects, papers and citations. Appointments available!

Tutoring Center: Check in with our Tutors for help with your coursework.
